UNITED STATES DISTRICT COURT WESTERN DISTRICT OF WASHINGTON AT SEATTLE

FEDERAL TRADE COMMISSION,

Plaintiff,

AMAZON.COM, INC., et al.,

v.

Defendants.

No. 2:23-cv-0932-JHC

STIPULATION AND ORDER TO AMEND SCHEDULING ORDER

STIPULATED MOTION

The parties, by and through their attorneys of record, respectfully request that the Court enter the proposed Order set forth below, amending the case schedule.

In support of this request, the parties represent the following to the Court:

- 1. On June 27, 2024, the Court entered a minute order setting the trial date and related dates on June 14, 2024. Dkt. 175.
- 2. Since that time, the parties have actively and diligently engaged in extensive discovery. These discovery efforts have taken longer than the parties originally anticipated.
- 3. To allow sufficient time for expert analysis and related discovery, the parties agree that adjustments to the case schedule are warranted as set forth below.
- 4. To accommodate these adjustments, the parties also agree that an extension of the trial date by approximately two months to a date convenient for the Court, and a corresponding adjustment to the related pre-trial deadlines, are warranted.

ORDER

Given the Court's trial calendar—and to provide more time than proposed by the parties between the briefing schedule on dispositive and *Daubert* motions and the trial date—the Court sets September 22, 2025, as the trial date in this matter and DIRECTS the Clerk to issue a new case scheduling order that follows the Court's standard pretrial schedule. After issuance of that order, the parties may propose amendments thereto, except the parties may not propose reducing time for the Court to rule on dispositive or *Daubert* motions before trial.

DATED this 5th day of November, 2024.
